

Energy can not be created nor ...		Your breakfast	
-----------------------------------	--	----------------	--

A falling ball loses		What you have in a battery		Rubbing your hands hard on a rough surface makes	
----------------------	--	----------------------------	--	--	--

The unit of energy		A falling ball gains	
--------------------	--	----------------------	--

Made by a kettle		What a battery makes		Radioactive material	
------------------	--	----------------------	--	----------------------	--

Used by a kettle		Petrol	
------------------	--	--------	--

A stretched catapult stores		A bus going at 60mph		In a power station, the generator turns ... into electric energy	
-----------------------------	--	----------------------	--	--	--

What teachers make too much of		Brakes in a car turn kinetic energy into ...	
--------------------------------	--	--	--

A steel rope holding a car in the air		What you want to get out of a lamp		Brick on the top of a roof	
---------------------------------------	--	------------------------------------	--	----------------------------	--
