

A stretched catapult stores		Petrol	
-----------------------------	--	--------	--

Used by a kettle		Your breakfast	What you have in a battery	
------------------	--	----------------	----------------------------	--

A bus going at 60mph		The unit of energy	
----------------------	--	--------------------	--

A falling ball loses		Made by a kettle	A steel rope holding a car in the air	
----------------------	--	------------------	---------------------------------------	--

Energy can not be created nor ...		Rubbing your hands hard on a rough surface makes	
-----------------------------------	--	--	--

Radioactive material		What teachers make too much of	A falling ball gains	
----------------------	--	--------------------------------	----------------------	--

In a power station, the generator turns ... into electric energy		Brakes in a car turn kinetic energy into ...	
--	--	--	--

What a battery makes		What you want to get out of a lamp	Brick on the top of a roof	
----------------------	--	------------------------------------	----------------------------	--
