

What big
eyes you
have

I'll blow your
house down

It's off to
work we
go

The clock
struck
midnight.

She broke
the chair!

Run, run as
fast as you
can

The sweets
looked
delicious

You're an
ugly bird

I feel a bit
sleepy

Trip trap,
trip trap

Mirror
Mirror

Let down
your hair

Fee Fi Fo
Fum

I'll huff
and I'll
puff

You shall
go to the
ball
